

Gateway Golf Vacations presents

# Gold Canyon, Arizona!

If you enjoy a relaxing golf atmosphere in which the courses are just a few steps from your room, you will love your stay at the Gold Canyon Golf Resort. Nestled along the mountainside, the unique Casitas offer a variety of amenities such as in-room spas, fireplaces, and even private patios with splendid views of the golf course or the majestic mountains. Located just 30 minutes from Phoenix Sky Harbor Airport, this very special mountainside resort is close to the nightlife of the Valley of the Sun, yet far enough away to let you experience the unmatched beauty of the high Sonoran Desert.

You can tee it up on 36 holes of championship golf set against the pristine desert backdrop of the legendary Superstition Mountains. Both championship courses combine challenging layouts with panoramic vistas of this natural desert setting. The numerous canyons will put your game to an exciting test. And, after a day of golf, you can enjoy a relaxing cocktail hour on the patio of your spacious Casita while you enjoy a spectacular southwestern sunset.

Then, after sunset, retreat to one of Gold Canyon's two restaurants for an enjoyable evening. Whether you are looking for fine dining or a casual dinner, you'll enjoy the resort's offerings.

## Kokopelli's

Enjoy spectacular views of the Superstition Mountains and dramatic sunsets over the golf courses and the valley while dining at Kokopelli's. Open for breakfast, lunch and dinner, the casual style restaurant features a daily breakfast buffet and nightly dinner specials. The dinner menu features the finest steaks, seafood, pasta and poultry dishes in the valley. And you must try both of Kokopelli's signature entrees - Pork Osso Bucco and Grilled Cajun Ribeye Steak!

## The Bar & Grill

Recently renovated with slate & marble and new furnishings, the cozy and casual "19th hole" style Bar & Grill @ Gold Canyon is a great place to meet before or after a round of golf or for a "nightcap" after dinner at Kokopelli's. With lively music, sports on multiple large screen TV's, great drinks and friendly service, you'll want to make an evening of it right here.

### World Class Resort Golf awaits you!

Two challenging championship courses and a leading golf school are at your doorstep...

#### Dinosaur Mountain Arizona (6,584 yds, 71.1 rating / 140 slope)

The 4 1/2 Star Dinosaur Mountain course, recently ranked the #1 Public Golf Course in Arizona, takes golfers into the high Sonoran desert environment. This golf course wraps around and over picturesque Dinosaur Mountain - a foothill of the spectacular Superstition Mountains. A round of golf includes magnificent views of the Superstition Mountains, dramatic tee-to-green elevation changes and long, loping fairways that are breathtaking. And the views from holes 4 and 5 will leave you anxiously awaiting your next round on this incredible course.

#### Sidewinder Arizona (6,481 yds, 71.8 rating / 133 slope)

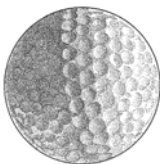

The Sidewinder course runs through the land's natural arroyos and dry creek beds and features a number of elevated tee shots from the scenic slopes of Dinosaur Mountain. Native cholla and prickly pear cacti as well as mesquite and palo verde trees line the course, providing a pristine desert golf experience. You'll find the creative design demanding and exhilarating.
